Turbo Till Construction Plan

Design Notes

1.

It is the responsibility of the contractor to construct treatment in accordance with the published specifications of Detroit Future City Field Guide to Working with Lots.

This information is available at www.DFC-lots.com

Keyed Notes

Design calls for the application of 120 lbs of bonemeal and 214 lbs of worm castings.

After amendment application apply earthworms to soil, cover with duff layer and seed after 3 months.

Carefully follow the instructions provided in specifications.
